CORRECTION TO APPELLANT'S BRIEF

Commissioner for Patents
Box AF
Washington, D.C. 20231

Sir:

The appellant filed the Appeal Brief for the above-identified application on August 5, 2002. After filing the brief, it was realized that a misstatement was made. The appellant provides the following correction.

The appellant made statements on page 9 of the brief at lines 16 through 18 and 22 through 25 regarding the new citation of art and the Examiner's Advisory Action. The new citation of art was the article to Li et al, Plant Physiol. (1990) 92, 327-333. This citation was made in the "final" Office Action of January 4, 2002. No basis for relying upon the new citation was made by the Examiner.

The presentation of new claims in the amendment of November 14, 2001, addressed only the Examiner's prior rejection under 35 U.S.C. 112, second paragraph. (See the Amendment of November 14, 2002, on page 6 at lines 1 through 5.) The reliance upon a new
